OVERVIEW

MISSION:

Expose participants to new solutions, give them the weekend to implement.

▶ GOAL 1 –Introduction: Decision makers in the South-East Asia get the understanding what kind of solutions Finnish companies can provide to make built environment more faster, safe, digital and sustainable (AEC Fast Track).

▶ GOAL 2 – Networking: Finnish companies get 20 minutes, 1/2 presentation & Q&A (pre-share with companies ‘VIP audience’ questions that help communicate the value of their solution.)

▶ GOAL 3 - Implementation: Solution providers and potential Clients have the weekend for developing collaboration in the AEC Hackathon.

COST:

AEC Fast Track Friday is complimentary event for the participating companies, Finland week according to Team Finland pricing.
